Re: **Attorney of Record, and Power of Attorney** for Patent Application 10/008,782

Dear Sir or Madam:

On December 22, 2003 a **Revocation-and-Power-of-Attorney** document was filed with the USPTO by U.S. Mail. This Power-of-Attorney filing shows up in the USPTO's Patent Application Information Retrieval (PAIR) service, in the "**Image File Wrapper.**" However, the "**Address & Attorney/Agent**" tab of PAIR does not reflect the change in power of attorney, and the attorney of record.

As we are concerned that our client's interest may suffer if correspondence concerning this patent application is not received by our law firm, we request that the USPTO **immediately update its files (including PAIR) to reflect the change in power of attorney that was filed in December, 2003.**

If there are any questions in this matter, applicants' attorney Charles Lemaire's phone is (952) 278-3501.

Attachment:

--- **Revocation and Power of Attorney Certificate** executed on December 19, 2003 (1 page).

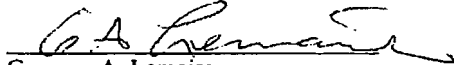

Respectfully submitted,
CHARLES F. CHESNEY et al.
By their Representatives,
